**QUESTION TYPES:** There are only two question types

What is required to get a high score?

Predict

- 1 - to **KNOW what to expect IN EACH PART.**
- 2 - to **HAVE A STRATEGY on HOW TO WRITE/WHAT TO WRITE** (hint: not everything)
- 3 - to **UNDERSTAND all questions and patterns of questions**
- 4 - to repeatedly **PRACTICE - USE YOUR SCORE TRACKER**

## Task 01 - High Score Strategies - All you need to know

Task 01 is about **LISTENING TO A PROBLEM**. It is usually a very simple daily conversation, but usually between people who are interacting for a specific reason/problem

- 1) Identify the problem/the why ←
- 2) Identify POSSIBLE solutions
- 3) Identify the REAL solution (if any)
- 4) Always look for FEELINGS and QUESTIONS that people ask/respond ←
- 5) Always understand times/dates (not specific) → time frame
- 6) Details/Descriptions ← → Picture
- 7) Future outcomes/Chances

Names/Specific details are not important here.

## Task 02 - High Score Strategies - All you need to know

Task 02 is about **LISTENING TO A DAILY CONVERSATION**. It is usually a very simple daily conversation - **USUALLY** around work or something around the community/shops/friends

- 1) Identify the problem/the why <— try to find the reason why this conversation is important
- 2) Identify the MAIN topic of the conversation
